CAPIBILITIES STATEMENT

CORPORATE PROFILE

MISSION

We are committed to delivering exceptional value to our federal government partners through cutting-edge information technology, program and project management, and professional consulting services.

VISION

1. Empower our employees with the freedom to think independently and act decisively.
2. Surpass customer and partner expectations to drive referrals and foster business growth.
3. Sustain company growth through sound financial and management practices.
4. Uphold small business values while delivering impactful results.
5. Offer competitive pricing through diligent cost control for customer benefit.
6. Expand WASHINGTONTEK's business by cultivating trusted partnerships and collaborations.

SHAREPOINT

WASHINGTONTEK is a premier expert in SharePoint, showcasing unparalleled capabilities in handling SharePoint projects. Our team excels in the seamless development, deployment, and migration of SharePoint solutions. With a proven track record, we bring a depth of expertise that ensures the success of your SharePoint initiatives. Trust Washingtontek to navigate the intricacies of SharePoint with precision and excellence, delivering tailored solutions that align seamlessly with your business objectives.

SOFTWARE, MOBILITY AND CLOUD

Washingtontek excels in SOFTWARE, MOBILITY, and CLOUD solutions, implementing 508 Compliance for accessibility. Utilizing best practices, we develop cost-effective and secure applications as part of federal digital reforms. Our experts, certified in AWS, Oracle, IBM Db2, SharePoint, Microsoft SQL, NoSQL, Teradata, SAP HANA, and ETL operations, drive innovation, insights, and seamless integration.

ROBOTIC PROCESS AUTOMATION (RPA)

We specialize in designing, developing, and implementing efficient RPA bots, focusing on saving our client's valuable time. Through strategic partnerships with Microsoft, UiPath, Blue Prism, and Automation Anywhere, we ensure our clients fully benefit from RPA technologies. Our approach involves operationalizing reusable components, accelerators, and domain-specific artifacts, transforming our solutions into an intelligent digital workforce for enhanced business process automation.

CYBERSECURITY

Washingtontek delivers top-tier cybersecurity and information security services. Our expert team specializes in Assessment and authorization (A&A) – Risk Management Framework (RMF), employing proven techniques to mitigate risks effectively and ensure the privacy of your data.

ENTERPRISE IT SERVICE MANAGEMENT

Washingtontek provides the comprehensive enterprise IT service management (EITSM) lifecycle from design and installation to managing mission-critical enterprise systems for our customers. We are competent in the scope, design, implementation, and management of IT. Our EITSM specialists offer crucial assistance to maintain high availability for critical systems through technology modernization, infrastructure optimization, data center consolidation, and virtualization.

ACQUISITION AND PROGRAM MANAGEMENT

Washingtontek ensures streamlined planning and execution of program requirements through cohesive Acquisition and Program Management operations. As a reliable advisor, we offer conflict-free expertise for successful acquisitions. We provide comprehensive support for federal and non-federal clients, including alternative analysis, economic evaluations, formulation, justification, execution, and budget control. Count on Washingtontek for efficient and defended project outcomes.
